The only work done was the improvement of the house occupied by Dr. Goodnow.

A new heater was installed and minor repairs made. The property is now in first class condition.

The business affairs of the town are not active or prosperous, and there are only a few of the houses occupied. Some of the old houses are about past their usefulness, and are mere shells and can no longer be considered as an asset of any value.

Taxes show an increase of \$28.79; a slight general increase, although the valuations were reduced.
